

KASIE WHITENER

Libertarian for US Senate

- PhD in Organization & Management
- 20+ years as an educator
- Built businesses with entrepreneurs
- Led two statewide organizations
- Radio show host & published author
- Mom, wife, South Carolina native

**1 Million South Carolinians know our
government doesn't work for us.**

- **Fix the national debt:**

- Increase revenue - simplify the tax code, get back to actual budgets
- Decrease spending - reform Social Security and Medicare for longterm sustainability; reduce federal spending by 5% across all agencies
- Grow the economy - Remove barriers to entry in industries like healthcare to enable entrepreneurs

- No more foreign **wars**
- No new federal laws or taxpayer dollars spent on **abortion**
- No new restrictions on **2nd Amendment rights**
- Better **immigration** laws based on sound economic principles
- Better oversight of the Executive branch - **fight corruption and graft**
- Abundance in **healthcare** by removing costly government interventions
 - Separate health insurance from employment, more free-market options
 - Help entrepreneurs make medical care accessible and affordable
